To The Hon. Commissioners,  
of the City of Grand Rapids,

Gentlemen:

The residents of Division Avenue, South, in the vicinity of Campau Park would respectfully ask that the Public Market, being held there twice a week, be discontinued at that point, and be held at some other locality on the street.

Campau Park was given to the City by Mr. Martin Ryerson as a recreation park for the south end people, also as a memorial to the memory of his grandfather, Mr. Antoine Campau, and the use of it for a business purpose is certainly a desecration of that object.

Besides this, the gathering of autos, wagons, trucks and other vehicles and the many people that attend the market destroy the park property and the property adjacent to it. And, for these reasons, we would respectfully ask that it be discontinued.
